

IBD BioResource

To help us set up your site for the IBD BioResource, please supply the information below.

Principal Investigator for this study at this site (can be Doctor or Nurse)	
<i>Name: Dr/Prof/Mr/Mrs/Ms/Miss</i>	<i>Postal address of Hospital/Trust:</i>
<i>Tel. No.</i>	
<i>Email address:</i>	

Other key site contact details (e.g. research nurse, key person in your R&D dept) – please supply details on >1 person if indicated (if known)
<i>Research Nurse: Name, Email address</i>
<i>CRN contact: Name, Email address</i>
<i>R & D contact: Name, Email address</i>

Approx many IBD patients are looked after in your hospital?	
Do you have a Research Nurse who can assist with this study? Please supply name and email	
To get your site set up on the HRA statement we need a local contact. Who would this be?	
Does your Trust use electronic medical records? If so, please provide the name of the system	
Any comments/queries:	

Thank you

Please email completed form to ibd@bioresource.nihr.ac.uk and include a photograph of your IBD BioResource recruitment team if you would like a large banner made for use in your clinic
